Changelog:

V1.0 | Release for publication

NL1 **General Information**

NL1.1 **Formula Student Netherlands**

Formula Student Netherlands (FSN) is part of the Formula Student competition series and is open to entries for open-wheel vehicles from student teams.

NL1.2 **Competition Format & Organizer**

Formula Student Netherlands 2023 (FSN2023) will consist of two classes: Internal Combustion Vehicle (CV) Class and Electric Vehicle (EV) Class. Both classes can be identified as separate competitions with separated classifications. The competition will be open to:

- 30 CV Class teams
 - Including 'Hybrid Vehicles'
- 40 EV Class teams
 - excluding Hydrogen Prototype teams
- There will be no Driverless Class/Cup at FSN2023

The competition organizer is Tilt Works Events. Formula Student Netherlands is a registered trade mark from Tilt Works B.V.

Tilt Works B.V.
Egersundweg 6
9723 JM
Groningen
The Netherlands

CoC: 66930308
VAT: NL856757226B01

NL1.3 **Competition Dates and Place**

FSN2023 will be held from Saturday 8th until Thursday 13th of July 2023, at the TT Circuit in Assen, The Netherlands. Please refer to the time schedule for detailed timing.

Venue address:
TT Circuit
De Haar 9
9405 TE
Assen
The Netherlands

The official competition website is: www.formula-student.nl

NL1.4 **Competition Language**

The competition language is English.

NL1.5 **Rule Exemptions and Alterations**

Due to the lack of autonomous events at FSN2023, some rules are void or altered. In particular:

- A1.2.6 to A1.2.8: void
- A4.1.1: no team will participate in DC
- A4.4: void
- A5.6: all points marked [DC only] are void
- A6.3.2: void
- T14: void
- T15: void
- CV1.2.2 to CV1.2.4: void
- IN6: void - T14.7 may be inspected if autonomous system components are mounted.
- IN11.2: void
- S2.4.4: the Autonomous System is not considered a “system”
- S3: Autonomous System will not be considered in the Engineering Design Event but Autonomous System components may remain in the car.
- S3.7: Scoring table will be altered to exclude Autonomous Functionality.
- D2.2: void
- D2.3.8: void
- D2.4.1: There will be no practice track for vehicles in autonomous mode
- D2.5: void
- D2.6: void
- D2.7: void
- D2.8: void
- D4: No Driverless SkidPad Procedure, scoring table will be altered to Manual Procedure only
- D5: No Driverless Acceleration Procedure, scoring table will be altered to Manual Procedure only
- D6: No Driverless Autocross Procedure, scoring table will be altered to Manual Procedure only
- D8: void

NL1.6 **Team Members & Registration**

Team members must comply with section A4.2 of the FS rules. Team members with professional experience will be considered eligible to participate if they comply with all rules.

Every team must fill out a Team Member Registration Form (TMRF) prior to the competition. A format will be available on the competition website.

All individuals are responsible for their own Health Insurance, the FSN organization may perform random checks to ensure an individual has a valid health insurance.

If your team or team members require an invitational letter to obtain a VISA, please send an e-mail to info@formula-student.nl

NL1.7 **Team Manager & Team Manager Meetings**

Each team is required to assign one person as team manager. The team manager must attend all team manager meetings. A team manager is responsible for the distribution of official competition information as presented in the team manager meetings to their team. A handout of a team manager meeting will be available on the website after the meeting.

Team Managers are required to join a WhatsApp community for general competition announcements. Joining the community will be done on site, during registration at the Welcome Centre.

NL1.8 **Faculty Advisors**

For FSN2023 Faculty Advisors must be registered as Team Members on the TMRF. Faculty Advisors may stay on the campsite with the team. Faculty Advisors may not participate in any events or perform any tasks related to the competition that can be done by students.

NL1.9 **Vehicle Numbers**

All registered teams will be invited to choose a car number for the competition via their MyTeam account.

EV Class: 01-99, with an E added in front of the number. (i.e. E99)

CV Class: 101-999

NL1.10 **COVID-19 Regulations & Restrictions**

Due to the uncertainty of the COVID-19 pandemic, procedures and regulations as presented in this competition handbook might change.

NL1.11 **Vehicle Shipping**

All teams using an (external) shipping company or freight forwarder must coordinate the transport with the FSN Organization. Vehicles must arrive between July 6th and 10th and must be removed from the event site on July 14th before 18:00 CEST. For each crate that is transported by a freight forwarder (air/sea transport) a security deposit of €500,- must be made. The deposit will be returned if the crate is removed from the venue within the set time limits.

In regards to Brexit, additional logistic support for teams from the UK is available. This also applies for teams outside of the European Union.

Contact the FSN Team on info@formula-student.nl

NL2 **Registration**

NL2.1 **Team Accounts**

To be able to participate in FSN2023, all teams must create an FSN MyTeam account on the competition website before January 25th 2023 23:59 CET. Team accounts can be created from December 28th 2023 12:00 CET.

Verification of a team account may take up to 48 hours. Please note that 2022 accounts are not valid and will be removed from the database.

All teams must also have an FSG account for uploading files. It is not mandatory to participate in the FSG2023 registration quiz to obtain a valid account.

NL2.2 **Registration Procedure**

Registration for FSN2023 commences in two phases, a pre-registration procedure and a regular registration procedure. Registrations are subject to [general terms and conditions](#)

NL2.3 **Pre-Registration Procedure**

In the pre-registration procedure, starting on January 1st 2023, the top-5 finishers from FSN2022 from both classes are invited to participate in FSN2023. Afterwards, all teams from the Netherlands, Belgium and Luxembourg (BeNeLux) are invited to the competition. Teams eligible for a position via the pre-registration procedure have until January 25th 2023 to confirm their entry by paying the registration deposit and fee. These teams will receive communication about this procedure via their MyTeam account.

Eligible Teams

Teams eligible for this pre-registration procedure are:

Registration Slots: Top-5 EV

DHBW Stuttgart

TU Delft

U Stuttgart

UAS Augsburg

UPC Terrassa

Registration Slots: Top-5 CV

U Stuttgart

UAS Tampere

VSB TU Ostrava

UAS Hannover

UPC Manresa

Registration Slots: BeNeLux EV

TU Eindhoven

KU Leuven & Thomas More

VU Brussels

UAS Groningen

UAS Zuyd

UAS The Hague

UAS Rotterdam

U Gent

UAS Arnhem

Registration Slots: BeNeLux CV

-

NL2.4 **Regular Registration Procedure**

All remaining places in the competition will be available through the regular registration procedure.

The regular registration procedure consists of a quiz, to be held on January 27th 2023 at 17:00 CET. A button to enter the quiz will be displayed on the website on this date.

Note, in the unlikely case that the amount of teams looking to compete in a class of the competition is smaller than the amount of available spots in that class, all places will be directly assigned without a quiz.

NL2.5 **Registration Quiz**

The FSN2023 registration quiz is part of the regular registration procedure for FSN2023.

There will be separate quizzes for CV and EV Class, a quiz may contain class-specific questions. The quiz will consist of 8-20 questions. The quiz is designed in such a way that a well-prepared team should not spend longer than 90 minutes. The maximum time is 120 minutes.

All questions will be multiple-choice, only one answer is correct.

Questions may be asked about the FS Rules 2023, the FSN gray area clarification document, as well as general (engineering) practices and knowledge.

The amount of correct answers is considered first, before the time elapsed to complete the quiz. In other words, it is more important to be right than to be fast.

Time will be counted from 17:00 CET, regardless of the actual time a team starts the quiz.

Answers, Protests and Quiz Results

The answers to the quiz will be published on January 27th 2023 at 19:00 CET on the competition website. Protests may be filed until two hours after the answers have been published. The final quiz results will be published as soon as possible after the protest window has elapsed and all protests have been dealt with.

All protests must be send to info@formula-student.nl . Protest that are send via other platforms will not be assessed. All protests must contain the team name, university name and a clear description of the protest.

NL2.6 **Wildcards for Hybrid CV Class entries**

There will be up to 5 wildcards for FSN2023 CV Class. Wildcards are part of the regular registration procedure. Only teams planning to run a hybrid car in CV Class in 2023 can apply for a wildcard. A team can apply for a wildcard by uploading their Hybrid System Description (HSD) via their FSN MyTeam

account before January 21st 17:00 CET. The HSD does not have to be the final version and may be incomplete. Teams that have applied for a wildcard must still participate in the registration quiz. Selected teams for a wildcard will be published in the final quiz results.

NL2.7 **Registration Fee & Campsite Fee**

For FSN2023, the registration fee includes an unlimited number of team members. The registration fee also includes all handling fees.

For CV Class, the 2023 registration fee is €1.950,- including 9% VAT

For EV Class, the 2023 registration fee is €2.450,- including 9% VAT

The 2023 campsite fee is €750,- , including 9% VAT. Each team is required to reserve at least one campsite pitch with their registration which accommodates the first 15 team members. Additional pitches on the campsite may be booked for €750,- ,including 9% VAT. Spaces may be limited by the event organization. Teams are required to acquire at least the minimum amount of pitches for their team size (i.e. a team consisting of 25 team members must book at least 2 pitches)

Payments for registration fees and campsite fees can only be made via bank transfer. Payments for registration fees must be paid within 72 hours after receiving the invoice via MyTeam. Failing to make the payment within the time limit may result in the forfeit of a team's registration slot.

NL2.8 **Pit Garage & Campsite Deposit**

To ensure all teams return their transponders and leave their Pit Garage and Campsite spots in clean condition a deposit of €200,- must be made. The deposit will be added to the invoice for the registration fee.

The deposit will be returned within 14 days after the event if the team returns their transponder and leaves their pit garage and campsite spot at the set times and in clean condition.

NL2.9 **Refund Policy**

In case the **organizer** cancels the event at any date before June 1st 2023, registration fees, campsite fees and deposits are 100% refundable.

In case the **organizer** cancels the event at any date after June 1st 2023 registration fees, campsite fees and deposits are 70% refundable.

In case a **team** cancels their participation for any reason, at any date, registration fees ,campsite fees and deposits are not refundable.

NL2.10 **VAT Policy & Reclamation of VAT**

The FSN organization is legally required to invoice 9% VAT to all teams, regardless of the origin of the team. Teams with a valid EU VAT number may

reclaim their VAT at the Dutch IRS [via this link](#). A direct 0% reverse charge is legally not possible.

NL3 Documents & Deadlines

NL3.1 Deadlines

<u>Date (yyyy/mm/dd)</u>	<u>Deadline</u>	<u>Class</u>
2023-02-17 13:00 CET	Fuel Type Order (FTO)	CV

**different from FSG*

NL3.2 Documents

All teams must submit the documents mentioned in NL3.1 before the mentioned deadlines. A specific instruction on each document and how to submit is given in the following articles of the FSN2023 Competition Handbook. All documents and deadlines are subject to section A5 of the 2023 Rules.

All documents must comply with a maximum of 40 MB. In any case, if a document upload fails. Please contact the FSN Team via info@formula-student.nl

NL3.3 Impact Attenuator Data (IAD)

Format: See FSG website, PDF

Method of submission: [Upload file in FSG Account](#)

NL3.4 Structural Equivalency 3D Model (SE3D)

Format: IGES File (may be zipped)

Method of submission: [Upload file in FSG Account](#)

NL3.4 **Structural Equivalency Spreadsheet (SES)**

Format: See FSG Website (The FSAE-style SES is not allowed), xls(x)

Method of submission: [Upload file in FSG Account](#)

NL3.5 **Electrical System Form (ESF)**

ESF must be submitted in accordance to section EV9 of the 2023 Rules. Teams that are registered for FSG 2023 have the option to let their ESF be checked from FSG. All other EV Teams have to use the FSN ESF template on our homepage. The ESF has to be submitted to esf@formula-student.nl and the topic of the E-mail has to at least contain the team number.

Format: PDF, see template on FSN website.

Method of submission: Send ESF to esf@formula-student.nl

NL3.6 **Hybrid System Description (HSD)**

HSD must be submitted in accordance to section 7 of the FS Hybrid Rules 2023. All Hybrid Teams have to use the FSN HSD template on our homepage. The ESF has to be submitted to esf@formula-student.nl and the topic of the E-mail has to at least contain the team number.

Format: PDF, see template on FSN website.

Method of submission: Send HSD to esf@formula-student.nl

NL3.7 **SES Approval (SESA)**

Format: PDF, see FSG website for template

Method of submission: [Upload file in FSG Account](#)

NL3.8 **Business Plan Pitch Video (BPPV)**

If the file is too large, please send a link to info@formula-student.nl

Format: common video format (avi, mpg, mp4, wmv)

Method of submission: Upload file in FSN MyTeam

NL3.9 **Design Spec Sheet (DSS)**

A template will be available on the competition website

Important note: the DSS deadline is expedited to include DSS details in the FSN2023 magazine. You are allowed to make changes to the DSS until the FSG deadline on without obtaining penalties. These changes will not be included in the magazine.

Format: xls(x)

Method of submission: Upload file in FSN MyTeam

NL3.10 **Engineering Design Report (EDR)**

Format: PDF

Method of submission: Upload file in FSN MyTeam

NL3.11 **Magazine Uploads**

All teams are invited to write a description of their team (max 125 words). An isometric render or image with a neutral or no background of their 2023 vehicle must be added to the file.

All DSS data may be used to publish in the magazine. If a team fails to submit MU, the organizer may base a text on other available resources.

Format: DOC(X)

Method of submission: Upload file in FSN MyTeam

NL3.12 **Electrical System Officer Qualification (ESOQ)**

An example of appropriate training is for Dutch standards is NEN 9140. Further examples can be found on the FSG Website [via this link](#)

Format: PDF(s)

Method of submission: Upload file(s) in FSN MyTeam

NL3.13 **Fuel Type Order**

CV Class teams will be invited to select a Fuel: RON98 or E85.

Format: Online form

Method of submission: Online FSN Form via FSN MyTeam

NL3.14 **Team Member Registration Form (TMRF)**

A TMRF must be submitted, including all participating team members.

A format will be provided on the competition website.

Format: xls(x)

Method of submission: Upload file in FSN MyTeam

NL3.15 **Vehicle Status Video (VSV)**

Format: Any common video format (preferably .mp4)

Method of submission: Upload file in MyTeam, or send a link to info@formula-student.nl

NL3.16 **Cost Report Documents**

Teams must use the FSG online form to fill out the BOM, DBOM and CBOM and use the export function. The exported files should be zipped and must be uploaded via MyTeam to FSN.

For FSN2023 a DBOM for the 'Engine and Drivetrain' must be submitted
For FSN2023 a CBOM for the 'Brake and Steering System' must be submitted

Format: Exported FSG Online Form, .zip

Method of submission: Upload file in FSN MyTeam

NL4 Technical Inspection

NL4.1 Technical Inspection Order

The Technical Inspection Order (TIO), or scrutineering queue is based on the order of submission of vehicles status videos. A complete schedule will be published prior to the event or after all VSVs have been submitted.

CV Class:

TIO is only valid for the first attempt at mechanical scrutineering. If the order is in conflict with the static event schedule you may redeem your place in the queue at a later moment of your choice.

EV Class:

The TIO will be the basis for the assigning of the timeslots for Accumulator Inspection and Electrical Inspection.

NL4.2 Technical Inspection Procedure

The technical inspection procedure will take place in the scrutineering area.

Apart from Accumulator Inspection and Electrical Inspection, which use a system of timeslots, with rescrutineering timeslots, all inspection are based on a line-system without timeslots.

CV Class:

1. Mechanical Inspection, including pre-inspection
2. Driver Egress
Fuel
3. Tilt Test & Vehicle Weighing
4. Noise Test
5. Brake Test

EV Class:

1. Accumulator Inspection
2. Electrical Inspection
3. Mechanical Inspection, including pre-inspection
4. Driver Egress
5. Tilt Test & Vehicle Weighing
6. Rain Test
7. Brake Test

New for 2023: EV Class team may start mechanical inspection before completing accumulator & electrical inspection.

The Technical Inspection Procedure for Hybrid cars is still subject to discussion. More information will follow.

NL5 **Static Events**

NL5.1 Business Plan Presentation Event

The BPP event will be held according to section S1 of the 2023 FS Rules. A TV screen is available in each BPP room to use. Connection via HDMI cable.

Locations:

BPP Room A “Press Conference Room, 1st Floor” & BPP Room B “Meeting Room 2A2B, 2nd Floor”

NL5.1.1 Deep Dive Topic

To be announced

NL5.1.2 BPP Finals

The top 2-5 teams from each class will be invited for the BPP Finals

NL5.2 Cost & Manufacturing Event

Each team will have a back-to-back session for the Cost & Manufacturing and Engineering Design Event, with a 5 minute break in between to switch team members and equipment.

Both the C&M and ED Event take place in the Static Event Area, which is located near the scrutineering area. A 5m x 5m space is provided for the team to present in. All walls are flexible material. A team should bring their own tape if they want to use the walls to hang any material.

NL5.2.1 Real Case

A real case may be part of the C&M event and will be published before the CRD deadline.

NL5.2.2 C&M Finals

The top 2-5 teams from each class will be invited for the C&M Finals

NL5.3 Engineering Design Event

Each team will have a back-to-back session for the Cost & Manufacturing and Engineering Design Event, with a 5 minute break in between to switch team members and equipment. A 5m x 5m space is provided for the team to present in. All walls are flexible material. A team should bring their own tape if they want to use the walls to hang any material.

NL5.2.1 ED Finals

The top 2-5 teams from each class will be invited for the ED Finals

NL6 Dynamic Events

NL6.1 Driver Briefings

All partaking drivers must attend the mandatory driver briefings. An online briefing may substitute the driver briefings.

NL6.2 Skid Pad Event

Each team has four runs, driven by two drivers with two runs each.

$$SKIDPAD\ SCORE = 71.5 \left(\frac{\left(\frac{T_{max}}{T_{team}} \right)^2 - 1}{0.5625} \right)$$

NL6.3 Acceleration Event

Each team has four runs, driven by two drivers with two runs each. The vehicle will be staged so that it breaks the timing beam after 0.30m of travel. There is no “Top X Shoot-out”.

$$ACCELERATION\ SCORE = 71.5 \left(\frac{\frac{T_{max}}{T_{team}} - 1}{0.5} \right)$$

NL6.4 Autocross Event

Each team has four runs, driven by two drivers with two runs each.

NL6.5 Endurance & Efficiency Event

The Autocross finishing order will form the basis for the endurance running order. However, the running order creation can deviate from a speed-based approach to accommodate organizational needs. Officials may allow or require cars to run out of order if needed to finish the endurance event within the given time limits.

In addition to the running order, teams will be assigned a “ready-by” time in the published running order document. This is the earliest time the team may be required to run (i.e. enter the track). From this time, a team must be ready to enter the pre-inspection area.

Running out of order occurs when (1) all teams ranked before the team in the running order either ran or forfeit their run and (2) the teams’ Ready-By time has passed. Running OOO will be penalized according to D9.2.1

A track map will be released prior to the competition

25 points are awarded to every team that finishes endurance without DNF or DQ. The formula given in D7.8.4 will be used to calculate the additional endurance points, however the number “225” will be substituted by “300”. The formula given in D7.9.6 will be used to calculate the efficiency score, however the number “75” will be substituted for “100”

NL7 On Site Information

If you have an emergency that requires the police, fire department or an ambulance, you should call the emergency number 112. If you don't have an emergency, but you still need to contact the police, you can call: +31(0)9008844.

Always inform event officials about your emergency.

NL7.1 Campsite

All teams are required to use the on-site campsite facility. The campsite is located on the venue premises and allows for easy access to all venue facilities.

The Campsite fee includes the use of campsite facilities such as power, drinking water, sinks, toilet facilities and shower facilities.

A campsite pitch is 10m x 10m. Pitches will be assigned to teams by the event organization, there is no free choice or first-come-first-serve system.

The arrival point (NL6.3) is considered part of the campsite.

Earliest arrival: July 7th 18:00 CEST

Latest departure: July 14th 12:00 CEST

NL7.1.1 Campsite Rules & Safety

No music speakers or devices with a total power over 20 W are allowed on the campsite at any time during the competition. Teams generating more noise may be excluded from the competition.

The use of motorcycles, quads, bicycles, scooters, skateboards or other similar mobility devices as well as self-propelled devices in general by team members and spectators is prohibited. Teams utilizing any of the listed mobility devices may be penalized

No vehicles are allowed on the campsite, except for loading and unloading on arrival and departure days. Campervans or caravans are not allowed. Teams with vehicles on the campsite on other days may be penalized.

The use of alcohol is allowed on the campsite. The use of drugs is prohibited. The use of drugs may lead to immediate exclusion from the competition.

Running Vehicles and working on vehicles on the campsite is strictly prohibited, except for the following operations:

- Cleaning
- Applying stickers/decals
- Changing rims and tyres
- Fitting and removing bodywork and aerodynamic devices

The use of power tools, running of tractive systems or work on high voltage systems may lead to immediate exclusion from the competition. Any other offense may lead to a penalty or immediate exclusion from the competition.

NL7.2 **Event Site**

The event site consists of all paddock areas, including the static event area, the scrutineering area, the pit garages, all dynamic event locations including spectator areas, the media centre, the business plan presentation rooms and the welcome centre.

NL7.2.1 **Event Site Rules & Safety**

The use of motorcycles, quads, bicycles, scooters, skateboards or other similar mobility devices as well as self-propelled devices in general by team members and spectators is prohibited. Teams utilizing any of the listed mobility devices may be penalized

No vehicles are allowed on the event site, except for loading and unloading during pit construction and deconstruction times. Teams with vehicles on the event site outside of these timeslots may be penalized.

The use of alcohol or any other drug is strictly prohibited. Team members may be asked to perform a breath analysis if doubts arise.

Running on the event site is prohibited

NL7.3 **Arriving at the venue & Parking**

Upon arriving at the venue, a team must proceed first to the Welcome Centre to register the team. An official will guide you to the campsite from the Welcome Centre, this process must be coordinated due to limited access roads on the campsite.

After unloading campsite gear on the campsite, smaller vehicles such as cars can be parked on the adjacent grass parking. Heavier vehicles, such as trucks or trailers will be guided for temporary parking until the event site opens. Heavy vehicles may be parked on the event site, close to the team pit garage once pit garage construction has commenced.

NL7.4 **Drivers & Driver Registration**

Driver registration will take place at the Welcome Centre. All drivers must have their government issued driver's license and national ID card as well as their student ID ready for inspection.

NL7.5 **ESO Registration**

Electrical System Officer registration will take place at the Welcome Centre. All drivers must have their national ID card as well as their student ID ready for inspection.

NL7.6 **Pit Garages**

All teams will have access to a pit garage on the event site. A standard 6x12m pit garage is shared amongst two teams. Therefore each team has approx. 6x6m of space available in their pit garage. A list of pit garage allocations will be published before the event on the competition website

NL7.7 **Media Centre**

Depending on the applicable COVID-19 regulations at time of the event, the media centre will be available. More information will follow closer to the event.

NL7.8 Team Manager Meetings

Team Managers are required to attend Team Manager Meetings (TMM) as mentioned in NL1.7.1. Team Manager Meetings will take place in the Media Centre. Please see the time schedule for exact times.

NL7.9 Driver Briefings

Driver Briefings will take place in the Media Centre. A separate briefing will be organized for each dynamic event. Please see the time schedule for exact times. Depending on room availability, driver briefings might be combined for different dynamic events.

NL7.10 Trucks & Transportation Vehicles

Trucks and other transportation vehicles are allowed to enter the event area on advice of the event officials. Max. speed within the paddock is 5 kph. There are no restrictions on size of vehicles. During July 8th and 9th, there may be a limit on the amount of vehicles for selected teams.

The use of motorcycles, quads, bicycles, scooters, skateboards or other similar mobility devices as well as selfpropelled devices in general by team members and spectators is prohibited.

NL7.11 Warnings & Penalties

Any violation of the rules may lead to a warning or penalty. Warnings can be issued in writing or verbally by event officials. Any penalties will be issued in writing and will be published publicly after the event.

NL7.12 Grandstand & Visitors

More information will follow closer to the event. Depending on the applicable COVID-19 regulations at time of the event.

NL7.13 Live Streaming & Timing

Live streaming will be available via YouTube. All dynamic event will be live streamed. Live timing is available through the MyLaps Speedhive app.

NL7.14 Event Photo

All teams are required to attend the event photo. Final timing and instructions will be published before the event

NL7.15 Fuel Station

Please refer to the time schedule for opening times.
